

Keeping children and young people safe is everybody's business

 Are you concerned about a child/young person?

 Do you think that they are not being properly cared for?

 Are you worried about your own child?

There is a lot of help and support available for families so.... do something about it!!!

You can speak to staff at a nursery, school, children's centre or medical centre or ring children's social work services or West Midlands Police

Make the call -

your worry may turn out to be nothing, but if you're right you'll be glad you made the call
